Birth date cut-off	December 31st, 2012	December 31st, 2010	December 31st, 2008	December 31st, 2006
<p>Because of the December 31st age rule, a player competing in the 14-year-old division may be 15 years old when competing. This occurs because the baseball season follows the age cutoff date. Players with a birthday in the early months of the year will be older than their age division during the softball season. A players age as of December 31st determines the age in which the player is eligible to play.</p>
