

Girls 10U Fallball Tournament Rules 2022 – updated 10/3/2022

Hosted by Evergreen Park (Circle Park- 9719 S Homan Ave)

1. Time limits

Time limits for ALL games will be as follows:

- No inning will start after 1 hours and 45 minutes. Once an inning starts, it must be completed. If the game is tied in pool play, the result is a tie.
- There is no time limit for the semi-final, consolation or championship games.

2. Rain Delays

Games that are cancelled due to rain shall be considered complete games after 4 innings (3 ½ innings if the home team is ahead).

If the visiting team takes the lead after the 4th inning and the game is suspended due to rain, the game is not cancelled and the make-up game shall resume at the point of play stoppage. The score DOES NOT revert back to the score at the top of the inning. The visiting team would not be penalized after they have gained a lead and there is rain.

PLEASE NOTE: ONLY a Host town Official has the right to delay or cancel a game due to inclement weather. Umpires and managers involved in the game do NOT have input on these decisions.

3. Roster Rules

In any Chicago Sunday Baseball Tournament, a player removed from the game may return to the game in any position. The batting order may not change and roster batting is in effect. All players must play a minimum of three defensive innings in the field. No late arriving player is allowed to enter a game after the end of the 2nd inning. If a player is expected to arrive late, the manager of the team with the late player must inform the opposing manager **prior** to the start of the game about the late player and insert the player in the last spot in the batting order. A player arriving late to a game must enter the game before the first pitch of the third inning. If the spot being held for the late player is up to bat prior to the player's arrival, the batting team will receive an automatic out every time the missing player is to have an official at bat. It is possible if a late player is added to the line-up and does not show up, that every time their spot in the batting order is up to bat that the affected team can receive multiple outs throughout the game for the no show. Any player that is not inserted into the lineup prior to the start of the game is not allowed to play in that game.

4. General Rules

Courtesy runners are allowed for catchers if there are 2 outs. If a catcher has a substitute runner, the player (catcher) who had a substitute runner must catch one full inning immediately following the substitute runner. The courtesy runner must be the player who made the 2nd out of the inning. The only exception to this rule is if there is a pitching change or an injury. This courtesy runner rule is in place to speed up the game and is not intended to provide the batting team an opportunity to use faster players for slower players.

5. Birth certificates

Managers must bring roster and birth certificates for check-in Prior to their first game. All girls dressed **MUST** be in the continuous batting order. Any girl that leaves a game due to injury must be removed from the order and **MAY NOT** return to play in that game.

6. PROTESTS

A game may not be protested based upon an umpire's judgment decision.

When based upon an interpretation of the rules, a protesting manager must at the time the play occurs, notify the home plate umpire and the opposing manager that the game is being played under protest. The home plate umpire will then notify a Host town official of the protest. Host town officials will immediately consider the protest with the umpires and managers and render a decision before play is resumed. All decisions are final and not subject to appeal.

All protest rights are withdrawn if a manager withdraws a team from the field under any circumstances, prior to the game's completion.

No protest will be considered after one or more pitches have taken place

7. Rain shortened Tournament

In the event of rain, tournament director will make every opportunity to reschedule games and provide a revised schedule.
